

BOARD ADVISORY SERVICES

Tailored consultancy for investment boards

FBC's **Board Advisory Services** provides a highly customisable suite of services tailored specifically to the distinct needs of UK fund boards, cross-border corporate/ManCo and other investment governance boards.

Board Assessment Reviews - tailored, independent evaluations and ongoing support for boards

Board skills audit and industry benchmarking

Assessment of Value – assurance review and gap analysis of internal processes and report to help boards prepare for FCA supervisory reviews.

Bespoke training and mentoring for independent and executive directors and those "on board track."

Fund Boards Council

FBC is an investment governance board advisory service and professional members organisation that supports good governance on investment fund boards across Europe. Our clients/members are the boards and senior executives of fund management firms that believe that strong investment governance leads to positive outcomes – both for themselves and their clients.

The two key pillars of FBC's work focus in the UK and across Europe

1. Cost transparency
2. Board Effectiveness through strong process, conduct and culture

For more information on FBC, the work we do, and our membership, please visit <https://fundboards.org>, or get in touch at contact@fundboards.org
